HAD FORTY SUITS OF CLOTHES, Forty suits of clothes, ten overcosts, thirty pairs of shoes, eight hats, large quantities of cigars, wines and liquors, hundreds of poker chips, many packs of playing cards and hundreds of uncashed race tickets showing losses on races, were among the things found Saturday in the home of William F. Downs, the former atock cierk in the office of the Baltimore, city register, who is in jail awaiting trial on thirty-five charges of larceny of city money, when search was made by the police and detectives on behalf of the state attorney's office. There was also a small rafe, but it was quite empty and five handsomely dressed dolls. The most important find, however, is said to consist of two bank deposit slips in a pocket of one of the suits of clothes. It has been found that most of the quantities of cigars, wines and liquors, It has been found that most of the deposit slips counted upon as as evidence sgainst Downs have been destroyed as useless at the City Hall

ATTACKED BY SIX EAGLES. J. L. Drunell, a lumber dealer of Nor. folk, while looking over some timber lands on Sands Hill plantation, in Princess Anne county, last week, fought

Re-gaining his feet, he fought them, stick in hard, for a distance of 300 yards ba-fore gaining shelter. He was then al-most helpless, and without protection would have soon been overcoms.

It is the inevitable tendency of the Scot's mind to follow out every line to its terminus, even if it be over a precipice, and to divide every hair till inunity is touched.

It is not only in church courts, but in market places and in railway stations, in humble cottages as well as in university societies, that the Scot is disputing, in every spare moment of his time, from morning till night.

The Awful Toll Collected by Consumption.

If people could only understand that Catarrh is an intestinal scrofula—that nothing applied externally does much good—they would not need to be warned so often about this fatal disease, which, when neglected, invariable ends up in consumption, at the cost of millions of lives every year. Yet Catarrh is easily cured if the right treatment is employed.

of millions of lives every year. Yet Catarrh is easily cared if the right treatment is employed.

Ctarrh is caused by germs in the blood which circulate throughout the entire system. External remedies give but temporary ease. Although the effects are often seen in the form of pimples, rash, eczema or dry sosly skin, the trouble is internal, and can never be cured by external remedies.

The only way to cure Catarrh is by employing a mediaine which is absorbed and cried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is throughly medicated soothed, disuffected of germ matter, and the soreness healed.

We have a temedy prepared from the prescribed and made Catarrh a specialty and whose record of success was a cure in every case where his t entment was followed as prescribed. That remedy is Bexall Mucu-Tone. We are so positive that it will cure Catarrh in all its various fornes, whether scute or chronic, that we promise to return every penny pid us for the medicine in every case where it falls to cure or for any reason does not sarisfy the user.

We want you to try Bexall Mucu-Tone on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try Bexall Mucu-Tone in two sizes. The primes are 50c, and \$1. Very often the 50c size effects a cure. Of course, in chronic cases a longer treatment is necessary. The average in such instances is three \$1,00 bottles. W. P.
